- **Ozarks Electric Cooperative Youth Tour**
Each year, Ozarks Electric Cooperative sends two area high school juniors to visit Washington, D.C. at no charge to the student. This program, called Youth Tour, is sponsored by electric cooperatives all over the nation. Youth Tour was created to allow students the opportunity to visit our nation's capital and see firsthand how our government works. Last year, Youth Tour participants were able to visit national monuments and memorials, Smithsonian Museums, Monticello, Mount Vernon and meet with their state's representatives and senators. As in years past, Ozarks Electric pays for all lodging, transportation and meals for the students selected for Youth Tour. The selection process for Youth Tour 2018 is currently underway. We are asking that any interested students choose one of the three projects listed in the Youth Tour guidelines. Winners will be selected based on their project and interview. Youth Tour 2018 will be held June 8-14. The application deadline is February 1. Application packets for the OECC Youth Tour are available in the College and Career Center.
