- Ozarks Electric Cooperative Youth Tour
Each year, Ozarks Electric Cooperative sends two area high school juniors to visit Washington, D.C. at no charge to the student. This program, called Youth Tour, is sponsored by electric cooperatives all over the nation. Youth Tour was created to allow students the opportunity to visit our nation's capital and see firsthand how our government works. Last year, Youth Tour participants were able to visit national monuments and memorials, Smithsonian Museums, Monticello, Mount Vernon and meet with their state's representatives and senators. As in years past, Ozarks Electric pays for all lodging, transportation and meals for the students selected for Youth Tour. The selection process for Youth Tour 2018 is currently underway. We are asking that any interested

students choose one of the three projects listed in the Youth Tour guidelines. Winners will be selected based on their project and interview. Youth Tour 2018 will be held June 8-14. The application deadline is February 1. Application packets for the OECC Youth Tour are available in the College and Career Center.

Fleischer Scholars Program II - June 24-29, 2018. For former Fleischer Scholars I completers. - The National Youth Science Camp will be held this summer from June 27 through July 21. Two high school seniors from each state will receive a full scholarship to exchange ideas with scientists and other professionals from academic, governmental and corporate worlds. The nearly month-long experience includes lectures and hands-on research projects presented by scientists from across the nation; overnight outdoor trips into the Monongahela National Forest; and a visit to Washington D.C. The selected delegates must not only demonstrate academic achievement in science, but also show potential for thoughtful scientific

leadership. The NYSCamp experience is offered at no cost to its participants, so that selected delegates may attend regardless of their financial status. Contributions to the National Youth Science Foundation allow delegates to participate in this "once in a lifetime" experience. Educational and recreational programming, as well as meals, lodging, and round-trip air travel are provided free of charge. Delegates arrive in Charleston, West Virginia, on Wednesday, June 27, and depart on Saturday, July 21, 2018. The NYSCamp is held near Bartow in the eastern mountains of West Virginia, within the Monongahela National Forest. The application process is available on the NYSCamp website at <http://apply.nysc.org>. Applications must be submitted by Wednesday, February 28 by 6:00 pm.
