Senior Information

Graduation 2018

The following information is provided to senior students and their parents so both will know important dates leading up to graduation, as well as expectations for the activities listed. Graduating seniors are reminded graduation is an opportunity for your parents, grandparents, friends, and relatives to recognize your achievement. Graduation is ceremonial, dignified, and meaningful. Graduating seniors have already met the FPS graduation requirements. Therefore, the graduation ceremony is **NOT** a requirement. We ask that you not do anything that draws attention to you and away from the ceremony or the next person to receive his/her diploma. Each student deserves equal recognition and each family enjoys hearing the name of their student called.

Parents, we ask that you remain for the entire ceremony. Please be respectful of all who attend and support all seniors who are participating in this prestigious ceremony. Any devices, including noisemakers, are prohibited. Your respect to all those who attend is greatly appreciated.

This is a school-sponsored activity. All policies, practices, and procedures of the FPS and the FHS Code of Conduct will be followed. Questions regarding specific aspects of graduation should be directed to the following:
